International Law Talk Podcast: Habemus Gatekeepers – The EC Has Now Adopted Its First DMA Designation Decisions

Alba Ribera Martínez (Deputy Editor) (University Carlos III of Madrid, Spain) · Thursday, September 14th, 2023

The wheels of the DMA have started turning and so have the International Law Talk episodes. I had the pleasure to interview Assimakis Komninos following the Commission's press release establishing the economic operators that it had designated as gatekeepers under the DMA. This triggering event gave us the excuse to talk about a range of looming questions that surround the regulatory instrument's application in practice aside from designation, such as direct effect and fragmentation in the internal market.
